

## Fast Response Regulation (RegD) Resources Operational Impact

### Issue Source

PJM Performance Compliance is bringing forward this issue due to observed regulation-D over commitment in certain hours and the potential challenges that can cause for operations.

### Stakeholder Group Assignment

New working group under the OC.

### Key Work Activities

1. Regulation Education
2. Re-evaluating benefits curve and Reg-D commitment percentages
3. Re-evaluating regulation operation signals
4. Evaluating Regulation performance and requirements

### Expected Deliverables

1. Analysis of alternatives for solutions to Reg-D over-commitment
2. M-11, M-12 updates to reflect decisions

### Expected Overall Duration of Work

3-4 month duration

### Decision-Making Method

Tier 1, consensus on a single proposal.
