

## Harmonizing Provisions of Governing Documents

(Includes Problem/Opportunity Statement)

### Issue Source

PJM's General Counsel's Office identified this issue while reviewing concepts in the governing documents

### Stakeholder Group Assignment

This issue will be assigned to a new Tariff Harmonization Senior Task Force, which will report to the Markets and Reliability Committee.

### Key Work Activities

The Tariff Harmonization Senior Task Force shall:

1. Review current Tariff, Operating Agreement, Reliability Assurance Agreement and Manual 35 provisions related to:
  - Definitions
  - Indemnification
  - Limitation of liability
  - Alternative Dispute Resolution procedures
2. Identify and resolve inconsistencies.
3. Develop proposed governing document revisions.

### Expected Deliverables

Proposed governing document revisions.

### Expected Overall Duration of Work

This expected duration of work is 6 to 12 months.

### Decision-Making Method

Tier 1 consensus (unanimity) on a single proposal is the expected decision-making method for this issue.
