COST DEVELOPMENT SUBCOMMITTEE

Dear Subcommittee Members:

RATE FOR COSTING STATION SERVICE ELECTRICAL REQUIREMENTS DURING UNIT START-UP

The new rate for costing station service electrical requirements during unit start-up has been changed from \$31.79/MWh to **\$27.22/MWh**. Please use this rate in all unit start cost calculations during the **Second Quarter of 2019**. This rate was obtained by calculating the average off-peak LMP for the 12-month period from March 2018 through February 2019.

Sincerely,
Melissa Pilog
