PJM - NERC Data Requests Proposal
Reliability Standards & Compliance Subcommittee (RSCS) - May 19, 2023

- Proposal to formalize distribution of NERC Data Requests to PJM Members / NERC Registered Entities via the RSCS (and sharing requests with other committees/subcommittees as applicable)
 - As well as distribution of the NERC data requests with the Entity Contact Information Lists for Transmission Owner, Distribution Provider, Generator Owner and Generator Operator as applicable (list found [here](#) on PJM website/Library/Compliance)
- Adding a new section under the PJM/Library/Compliance website to contain the NERC data requests that were sent out via the RSCS; including the date the request was sent out, due date, and details
- Add NERC Data Requests as a standing agenda item for the RSCS
