

DTS Update

Michael Hoke

Sr Section Lead, State & Member Training

System Operations Subcommittee

December 1, 2023

- The draft training plan for 2024 can be found here:
 - <https://www.pjm.com/-/media/training/2024-draft-training-plan.ashx>
 - Sessions through December are open for registration
- Certification Update
 - PJM will be moving to a new test delivery and development vendor starting in January 2024.
 - Measure Learning
 - For individuals anticipating the need to be on shift in early January, schedule the exam with the current vendor prior to 12/31
 - If individuals are experiencing difficulty scheduling an exam with the current vendor, please contact Trainingsupport@pjm.com
- Reach out as soon as possible to State and Member Training with any concerns about personnel not meeting the certification and training requirements
 - Keep in mind that PJM allows retesting as a means of maintaining a credential
