
**PECO Electric Company
Revenue Requirement and MDTAC Update**

On December 5, 2019, the Federal Energy Regulatory Commission approved¹ the Settlement Agreement filed by PECO Energy Company (“PECO”) in Docket No. ER17-1519-002. Pursuant to Section 2.2 of the Settlement Agreement, PECO has recalculated the projected net revenue requirement and MDTAC that was posted on the PJM Interconnection, L.L.C. (“PJM”) website and OASIS on May 10, 2019 by applying the tariff terms as revised pursuant to the Settlement Agreement.

Concurrently with this notice, the recalculated projected net revenue requirement and MDTAC has been posted on the PJM website and OASIS and will be used in calculating the invoices rendered for PJM OATT transmission services from February 1, 2020 through May 31, 2020, until superseded by a new projected net revenue requirement and MDTAC, effective June 1, 2020. This update is available at <http://www.pjm.com/markets-and-operations/billing-settlements-and-credit/formula-rates.aspx>.
